

Description of medical/wellness policies

Ill child Policy: Ironstone Farm Summer Camp is not equipped to care for ill children. If the illness is due to fatigue or weather conditions, we will do our best to care for the child. If there is no relief of symptoms after a short period of time, the management will contact parent to pick child up. If camper expresses a desire to go home, parent will be notified. Any unusual complaint by a camper will be taken seriously and a parent will be notified to come to pick up the child.

Medication Policy: Medications such as inhalers or epipens can be brought to camp under physician order only. Protocol to be followed. Forms available in office. Most meds are emergency use only. Other meds should be given at home before or after camp hours.

Emergency policy for any injury is as follows: injury assessed; immediate first aid provided; office informed of injury; office to inform parent/guardian/EMS as needed; incident documented in Incident log.

Full policy will be provided upon request.

The Ironstone Farm Summer Camp Programs are inspected & licensed by the Andover Board of Health and meet the regulations developed by the Massachusetts Dept of Public Health

You must detach & return bottom portion with your paperwork *prior to May 01, 2011*

Insect Repellent & Sunscreen Application Permission Form

Due to the Massachusetts Health Department’s stringent guidelines, all campers MUST have the following permission slip signed and dated by a parent or guardian for each week of camp they will be attending.

My child _____ (please print name) has permission to reapply insect repellent and/or sunscreen as needed while at Ironstone farm Summer Camp. I have provided my child with the insect repellent and/or sunscreen to be used.

Signed: _____

Dated: _____
